Table of Contents

Chapter 1—Introduction and Summary	1
Why a Master Plan For Winslow	1
Visions for Winslow - Key Characteristics of the Master Plan.....	2
Winslow Tomorrow Project.....	3
Process Used to Develop the Winslow Master Plan	3
Winslow Master Plan Committee.....	3
Planning Commission.....	4
City Council	4
Range of Alternatives Considered	5
No Action	5
The Sanctuary Plan (The Preferred Alternative).....	5
The Dispersed Alternative.....	6
Planning Process for Winslow Tomorrow Project.....	6
Community Congress	6
Inquiry Phase.....	7
Option Phase	7
Development and Evaluation of Alternatives.....	7
Recommended Phase.....	8
Winslow Tomorrow Phase	8
Planning Commission.....	8
City Council	8
Chapter 2—Land Use	9
Existing Conditions.....	9
General Land Use Pattern.....	9
Population and Market Background.....	12
<i>Regional Context</i>	12
<i>Residential</i>	12
<i>Office</i>	13
<i>Retail</i>	13
Comprehensive Plan Framework	14
Master Plan Land Use Policies	21
Overview	21
Overall Land Use Goals and Policies	21
Policies - for Specific Districts (Mixed Use Town Center/High School Road Districts).....	25
<i>Central Core Overlay District</i>	25
<i>Ericksen Avenue Overlay District</i>	26
<i>Madison Overlay District</i>	26
<i>Gateway Overlay District</i>	26
<i>Ferry Terminal Overlay District</i>	26
<i>High School Road I and High School Road II</i>	27

Chapter 3—Housing	29
Existing Conditions	29
Comprehensive Plan Framework	30
Master Plan Housing Policies	31
Housing Distribution.....	31
Mobile Home Park.....	31
Navy Housing Site.....	31
Chapter 4—Open Space and Trails	33
Existing Conditions	33
Comprehensive Plan Framework	33
Master Plan Open Space/Trails Policies	37
Overview.....	37
Open Space.....	37
<i>The Ravine</i>	37
<i>Market Square</i>	37
Parks.....	37
Trails.....	38
<i>MUTC/High School Road Trails</i>	38
<i>Trails Outside MUTC/High School Road Districts</i>	38
<i>Waterfront Trail</i>	39
<i>Road-Ends</i>	39
<i>Eagle Harbor Pedestrian Bicycle Bridge</i>	39
Streets as Part of the Open Space Network.....	39
Retain Right-of-Way and Easements.....	39
Chapter 5—Public Facilities	41
Existing Conditions: Public Facilities	41
Comprehensive Plan Framework	41
Goals and Policies	41
Chapter 6—Transportation	45
Existing Conditions	45
Traffic Circulation.....	45
<i>Traffic Volumes: Weekday</i>	45
<i>Traffic Volumes: Weekend</i>	46
<i>Intersection Levels of Service</i>	46
<i>Ferry Terminal Circulation</i>	47
<i>SR 305</i>	48
Roadway Classification.....	48
Roadway Conditions.....	48
Kitsap Transit Circulation.....	49
Pedestrian and Bicycle Circulation.....	49
Parking.....	49
<i>Downtown Winslow</i>	49
<i>Ferry Terminal</i>	50
Comprehensive Plan Framework	51
Master Plan Transportation Policies	56
Overview.....	56
Overall Goals and Policies.....	56
<i>Pedestrian Circulation and Facilities</i>	56

<i>Bicycle Circulation and Facilities</i>	57
<i>Pedestrian Friendly Streetscape</i>	58
<i>Winslow Way Improvements</i>	58
Provide Multi-Modal Street Grid	59
<i>Connectivity</i>	60
<i>Alternative Routes</i>	62
<i>Rights-of-Way</i>	62
<i>Traffic Management & Traffic Calming</i>	62
Parking	62
<i>Development-Related Parking</i>	65
<i>Commuter Parking</i>	65
Improve Transit Services and Facilities	66
<i>Winslow Transit Loop</i>	66
<i>Ferry Service to/from South Side of Eagle Harbor</i>	66
Chapter 7—Washington State Ferries Issues	67
Existing Conditions	67
Comprehensive Plan Framework	67
Master Plan Policies	67
Chapter 8—Utilities	71
Comprehensive Plan Framework	71
Master Plan Utilities Policies	71
Overview	71
Goals and Policies	72
Chapter 9—Capital Facilities	
Repealed by Ordinance 2006-20 – November 8, 2006	73
Chapter 10—Implementation Action Strategy	75
Actions	75
Regulatory	75
Open Space/Trails	75
Transportation	75
Facilities	75
Investment Responsibilities	75
City of Bainbridge Island	76
Washington State Department of Transportation.....	76
Washington State Ferries (WSF)	76
Kitsap Transit.....	76
Bainbridge Island Parks District	76
Private	76
Parking Authority	77

Chapter 11—Monitoring Program	79
Land Use	81
Parking	81
Housing	81
Businesses	81
Open space/Parks	82
Sidewalks/Pedestrian Paths	82
Bicycle Facilities	82
Roads	83
Drinking Water	83
Sanitary Sewer	84
Surface Water Quality	84
Air Quality	84
Ferry-Related	84
Chapter 12—Impacts and Mitigation	85
Assumptions	85
Land Use	85
Open Space	85
Transportation	85
<i>Roadway Improvements</i>	85
<i>Growth in Traffic</i>	85
<i>Trip Generation</i>	86
<i>Traffic Assignment Model</i>	87
Evaluation Criteria and Analysis	91
Roadway LOS	91
Intersection LOS	91
Impacts	91
Land Use	91
<i>District Boundary Shifts</i>	91
<i>USF 8 Designation</i>	92
<i>Establish a Uniform Base FAR and Maximum FAR for each District</i>	92
<i>Changes to TDR Provisions</i>	94
<i>Changes to Other Bonus Provisions</i>	94
Housing	95
Parks and Open Space	95
<i>Park Sites</i>	95
<i>East-West Trails</i>	95
<i>North-south and East-West Trails</i>	95
<i>Waterfront Trail</i>	96
Streetscapes	96
Transportation	96
<i>Roadway and Intersection LOS</i>	96
<i>Intersection LOS</i>	97
High School Road/SR 305	97
Winslow Way /SR 305 Intersection	98
<i>Travel Time</i>	100
<i>Transportation Facilities</i>	100
Commuter By-Pass	100
Ericksen Avenue	100
New City Hall Road (Access)	101

Transit Loop	101
<i>Streetscape</i>	101
<i>Traffic Calming</i>	102
<i>Pedestrian Circulation</i>	102
<i>Bicycle Circulation</i>	102
<i>Short Term Non-Ferry Parking</i>	103
Mitigation	103
Land Use	103
<i>District Boundary Shifts</i>	103
<i>Uniform Base FAR & Base Density for Gateway and</i>	
<i>Ferry Terminal Overlay Districts</i>	103
<i>Changes to other Bonus Provisions</i>	104
Parks and Open Space.....	105
<i>East-west Trail Ravine Footbridge</i>	105
<i>North-south and East-west trails</i>	105
<i>Waterfront Trail</i>	105
Transportation.....	105
<i>Roadway and Intersection LOS</i>	105
<i>Winslow Way /SR 305 Intersection</i>	106
<i>Transportation Facilities</i>	106
Commuter Bypass	106
Ericksen Avenue	106
New City Hall Access	106
<i>Traffic Calming</i>	106
<i>Short Term Non-Commuter Parking</i>	106
Washington State Ferry-Related	107
Evaluation Criteria and Analysis	107
<i>Ferry and Terminal Operations</i>	107
Impacts.....	107
<i>Third Ferry</i>	107
<i>Marine Facilities</i>	108
<i>Holding Area Expansion</i>	108
<i>Transit and Terminal Facilities</i>	109
<i>Bicycle Access</i>	109
<i>Winslow Way/SR 305 Intersection</i>	109
Mitigation	110
<i>Third Ferry</i>	110
<i>Marine Facilities</i>	110
<i>Holding Area</i>	111
<i>Transit and Terminal Facilities</i>	111
<i>Bicycle Access</i>	111

Winslow Master Plan Appendices

Appendix A - Land Use

1. Winslow Master Plan Economic Analysis, May 1996
2. Developable Land Estimates
3. FAR Site Development Implications
4. *Winslow Tomorrow* Update of Market and Economic Findings, Property Counselors, January 2005

Appendix B - Transportation

Winslow Subarea Transportation Study Technical Appendix, January 10, 1997

Appendix C - Washington State Ferries

1. December 22, 1996 Memorandum For The Record
From Russ East Re. Bainbridge Island Multimodal Ferry Terminal – Ridership Estimate
2. December 22, 1996 Memorandum For The Record
From Russ East Re. Bainbridge Island Multimodal Ferry – Terminal Traffic
3. November 26, 1997 Memorandum From Joe Bement
Re. WSF Bainbridge Island Ferry Terminal Master
Plan ROW Impacts to Adjacent Properties.
4. Existing Conditions (provided by Washington State Ferries)

Appendix D - Capital Facilities

1. Worksheets
2. April 29, 1998, Memo from William Bryan re.
Wyatt Way/Knechtel Way ROW Cost Estimates.
